Overall Evaluation of Student's performance and profile

Unsatisfactory	Improvement needed	Meets expectations	Exceeds expectations	Exceptional	NA
				✓	

General Comments & Recommendations: (kindly mention intern potentials, areas of further development or technical constraints encountered during the Internship period)

Even though she is more interested in frontend careers, she was able to adapt to change and work as a backend engineer. It took her no time to learn the framework that we uses even though she didn't learn it in uni.

Yes No Maybe

Do you think similar candidates would fit in the Organization culture and qualify for job needs?
